## **Bannock Recipe**

### ***Ingredients***

3 cups of flour  
1½ tsp baking powder  
½ tsp salt  
¼ cup of fat (shortening or butter)  
1¼ cups of warm water

### ***Steps***

Mix all dry ingredients together  
Make a hole in the middle and add fat  
Pour water on top of the fat  
Blend mixture together with your hands  
Divide the dough into two balls  
Flatten each ball into 1cm thickness  
Punch holes in both with a fork  
Cook in well-greased frying pan for 20 minutes

## Math Problems

1. Mr. Davis, the storekeeper, sold 5 top hats and 9 tin cups today. How many items did he sell today?
2. Lower Fort Garry stores 46 beaver pelts in the Fur Loft and 75 in the Warehouse. How many beaver pelts does the fort have?
3. Mrs. Colvile, the Governor's wife, decided to take 5 dresses with her on a trip to Upper Fort Garry. She owns 12 dresses in total. How many dresses did she leave behind?
4. Mr. Lane told the Blacksmith's to make 22 horseshoes today. After 6 hours they made 15. How many horseshoes do they have left to make?
5. Mrs. Spence bought 3 meters of fabric. Mrs. Badger bought 3 times as much fabric as Mrs. Spence. How many meters did Mrs. Badger buy?
6. The store sells candles in packages of 8. Mr. Black, the Chief Trader, bought 4 packages. How many candles did he buy?
7. Mr. Lillie, the farm manager, had 68 potatoes to split between 4 people. How many potatoes should each person get?
8. Mrs. Monkman made 32 beaded bracelets. She wants to give each of her 8 grandchildren an equal amount of bracelets. How many should each grandchild receive?

# - Lower Fort Garry Discovery Game -

Here are the facts that make Lower Fort Garry an important National Historic Site of Canada!

❖ **Lower Fort Garry is the finest collection of stone buildings in Canada.**

1. The walls and most buildings were made from \_\_\_\_\_ quarried from the riverbank.
2. The first building on site was the \_\_\_\_\_, constructed from 1830-1832.
3. The stonemason lived in the \_\_\_\_\_.

❖ **Lower Fort Garry was a major shipment centre for the Hudson's Bay Company.**

1. The most important shipment of supplies comes from Europe once per year by orky tabo.  
\_\_\_\_\_  
\_\_\_\_\_
2. Furs from all over would make their way to Lower Fort Garry to be stored and packed in the ruf fotl building.  
\_\_\_\_\_  
\_\_\_\_\_
3. The tripsmen carried 180 pounds on their backs with the help of a ptmuenli.  
\_\_\_\_\_  
\_\_\_\_\_
4. If you had any furs or produce to trade, you could speak to the metsapsort at the clerk's quarters, near the saleshop.  
\_\_\_\_\_  
\_\_\_\_\_

❖ Lower Fort Garry served as a (🏰 + ING) training post for the newly formed North-West Mounted Police in 1873.

1. The North-West Mounted Police lived in a wooden (WARE + 🏠) \_\_\_\_\_ near the Northeast bastion.
2. Constable Sam Steele was assigned to teach the new recruits (🐎 + MAN + 🚢) \_\_\_\_\_.
3. Each division had a (🐛 + LER) \_\_\_\_\_ who acted like a clock by playing special songs on his trumpet at different times of the day.
4. The North-West Mounted Police wore uniforms made from (S + 🚗 + LET) \_\_\_\_\_ serge: a heavy red fabric.

❖ Lower Fort Garry was the location of the signing of Treaty No.1 in 1871 between the Swampy Cree, Ojibway, and representatives of the crown.

1. Lower Fort Garry was a great choice since it could hold the 1000-2000 people that were expected to camp inside and outside of the fort: *Can you put the door in the right place on this Ojibway tipi?*
2. Each of the Aboriginal chiefs that signed Treaty No.1 received many things including farm equipment, ox carts, and even a special treaty coat: *Can you draw what the treaty coat looked like?(hint: have you visited the museum building?)*
3. Upon signing Treaty No.1, each Aboriginal person was entitled to \$3.00 every year: *Treaty No.1 is still in effect. How much does each Aboriginal person receive today?*
