

**A big project for my
dream country would be ...**

**The first law that I would
pass in my dream country
would be ...**

**In my dream country,
there would be ...**

**In my dream country,
everyone would be able to ...**

To me, progress means ...

@ParksCanada

**In my dream country, an
important thing to keep for
future generations would be ...**

**In my dream country,
society would protect ...**

**In my dream country,
we would remember ...**

**In my dream country,
my first act of conservation
would be ...**
