AVALANCHE RISK

Avalanche season extends from November to June. Even a short walk from the parking lot can take you into dangerous terrain. Respect warning signs.

If you are planning on travelling in areas beyond maintained trails, you should assume that you are in avalanche terrain. Be prepared with the appropriate knowledge, skills and rescue equipment.

Use lakeshore trails on the north side of Lake Louise only.

Visit avalanche.ca for avalanche ratings, maps and forecasts.

TRAIL ETIQUETTE

The track set portion of the trail is for classic skiing only. The flat groomed lane is for other users.

Dogs are only allowed on certain trails. Keep your dogs on leash at all times and pick up after them.

Leave no trace. Pack everything out you pack in.

TRAIL SAFETY

When trails are icy, use hiking poles and ice cleats.

Weather can change quickly in the mountains. Check the forecast and bring extra layers and snacks.

Check current trail conditions at parks.canada.ca/banff-trails BEFORE you head out.
