D – PRIVACY RELEASE

By signing, I hereby confirm that all information provided is correct and true to the best of my knowledge.

I hereby acknowledge and agree that acceptance of this application does not guarantee approval or issuance of a permit, and any additional permits, including a Building Permit and Occupancy Authorization may be required prior to undertaking work and occupying any structure.

I hereby acknowledge and agree that any approved project may be subject to additional terms and conditions determined at the discretion of the approval authority, including environmental impact assessment considerations related to mitigation and restoration.

I hereby acknowledge and agree to the following (Privacy Release):

The information you provide is collected under the authority of section 8 (1) of *Canada National Parks Act* and section 7 of the *National Parks of Canada Land Use Planning Regulations* to review and process land use planning proposals / applications towards the issuance of planning permits and authorizations located on leased or licenced lands under the control and management of Parks Canada.

The information you provide may be matched to the land use agreement record in the Parks Canada National Integrated Realty System to verify the land use agreement holder and project consistency with the terms of the land use agreement.

Personal information will be used and shared with finance administration for the purpose of service fee collection and remission in accordance with the Service Fees Act. The information may also be used and shared with the Law Enforcement Branch in the event of a non-compliance matter for enforcing Canada National Parks Act to resolve administrative issues. The information may also be shared with provincial authorities for the purpose of land assessment and tax collection.

Participation in Land Use Planning program is voluntary. Refusal to provide personal information will omit you to obtain the permit that will authorise your project.

The information you provide may be used or disclosed for policy analysis, research and evaluation purposes. However, these additional uses and disclosures of your personal information will not result in an administrative decision being made about you.

Your personal information is administered in accordance with the Canada National Parks Act, the Privacy Act and other applicable laws. You have the right to the protection of, access to, and correction of your personal information, which is described in institution specific Personal Information Bank Land Use Planning Program PC PPU 100. Instructions for obtaining this information are outlined in the government publication entitled Info Source, which is available at the following web site address: www.infosource.gc.ca

You have the right to file a complaint with the Privacy Commissioner of Canada regarding the institution's handling of your personal information at <https://www.priv.gc.ca/en/report-a-concern/file-a-formal-privacy-complaint/file-a-complaint-about-a-federal-institution/>
