

Areas where launching and landing are prohibited by hang gliders and paragliders

Yoho and Kootenay National Parks

Launching or landing is not permitted in:

- Campgrounds and day use areas
- Active pits, operation centres, or helipads

Pilots must avoid disturbance to medium and large sized animals by maintaining at least 500m away from all animals visible from the air.

-  Areas closed to launching and landing
-  National park boundaries
-  Highways
-  Official trails
