

**Parks Canada Agency**  
**Application for Filming in Newfoundland Western and Labrador Field Unit**

*Gros Morne and Torngat Mountains National Parks of Canada,  
Akami-Uapishk<sup>u</sup>-KakKasuak-Mealy Mountains National Park Reserve,  
Port au Choix, L'Anse aux Meadows and Red Bay National Historic Sites of Canada*

We are pleased to hear of your interest in filming in Parks Canada-administered national parks and national historic sites. To help us expedite this process for you, please complete the following form.

Proposed filming activities must meet all filming conditions and receive the approval of the field unit Superintendent to ensure the protection of the environment and a quality visitor experience. Applications will be reviewed based on:

- potential impacts of the production on ecological and cultural resources
- appropriateness of activities to the national settings and regulations
- consistency with and contribution to park objectives, themes, and messages
- level of disruption to the area and/or other park users
- required level of assistance and/or supervision by park staff
